

Creating e-Books

Select a Template:

1. Open Clicker 5 or Click on the Explorer Folder
2. Click on Create new Grid Set icon in the Clicker 5 Tasks window
3. Double click on Book Making
4. Double click on Landscape 12 – click the Create button

Add a Title:

1. Highlight Title (shift – click on Title) and type your new title

Insert a Graphic:

1. Click on Edit – click on Edit Mode
2. Click on the Pictures icon on the floating toolbar
3. Double click on the folder where your picture is located (Photos – Coast)
4. Find a picture you want on the cover of your book
5. Hold down the Shift key and click and drag the picture from the Picture Palette to the graphic window on your cover page (be sure to let go of the Shift key last)

Type the name of the Author in the bottom text box:

1. Shift-click and type the name of the author
2. Click the right arrow to go to the next page (grid)

Add text and pictures to the next few pages

To make a Graphic Transparent

1. Right click (Mac -Ctrl-click) on the picture cell. Select Properties
2. Change the Background color from white to transparent
3. Deselect the show border box

To add a hotspot to a picture

1. Click on the Cell Palette button on the floating toolbar.
2. Drag a cell onto the grid.
3. Change the cell properties to make it transparent and without a border.
4. To add a ToolTip and change the Point, click on the General tab in Cell Properties.
5. Resize and move the cell to cover the part of the picture where you want the hotspot.
6. Drag a video or sound file onto the hotspot cell.

Save your grid – File – Save Grid Set As – give it a name
